

Welcome to the May issue of the HCTC Newsletter!

HCTC Online Tutorial Now Available!

The HCTC Program developed a new online tutorial for partners, candidates for the HCTC, and participants in the HCTC. This tutorial gives you access to the HCTC information you need, when you need it.

In addition to providing an overview of the HCTC Program and eligibility requirements, the tutorial also offers information on key topics such as qualified family member coverage and requesting reimbursement, as well as a step-by-step guide for completing the Monthly Registration Form. The tutorial topics are easy to navigate and can be selected based on the user's needs.

Over the next few months, the HCTC Program will be launching the online tutorial through a series of regional webinars—stay tuned for opportunities in your location!

Access the tutorial now at either www.staycovered.us or www.irs.gov/hctc! As HCTC partners we welcome your feedback on the new tutorial, so please [contact us](#) with comments or questions.

Updated: HCTC Materials Distribution Guide

In order to better support your efforts with trade-affected workers and Pension Benefit Guaranty Corporation payees, the HCTC Program recently updated the [Materials Distribution Guide](#) so you know what HCTC publications are available to support you and how they can be used.

The updated guide includes new publications such as the [Qualified Family Member Information Guide](#) and the [Job Aid for One Stop/Career Centers](#). Publication numbers are included for all the available materials in the guide, so you can easily reference and order the publications you need.

Working with you, our partners, we aim to increase awareness of the HCTC Program through the distribution of relevant, accurate support materials. Your ongoing efforts in supporting the education of candidates for the HCTC will help a greater number of individuals *stay covered*.
